Phoenix – Parenting Arizona, a subsidiary of Chicanos Por La Causa, Inc. (CPLC), is proud to announce three dedicated members of the Arizona community who will be honored at this year's Champions for Children luncheon.

Parenting Arizona has selected U.S. Congressman Ed Pastor, Avnet and First Things First for their commitment to children and families.

"This year's awardees have demonstrated that they are true Champions for Children through their ongoing actions on behalf of Arizona's children and families," said Parenting Arizona Director Julie Rosen. "We are proud to honor them at this year's luncheon, and we hope that the community will join us in celebrating them."

The Champions for Children luncheon is an annual fundraising event for Parenting Arizona, CPLC's subsidiary that provides statewide multi-cultural family support and parent education services that reduce child abuse and neglect. The event helps to help provide necessary funding for education and training classes that can be life changing for the members as they learn positive and collaborative methods to best raise their children.

This year's luncheon will be held at 11:30 am on Friday, March 26, 2010 at the Arizona Biltmore. For information on table sales, please call (602) 248-0428.
